BUSINESS ARISING FROM PREVIOUS MEETING

- An explanation was given for the Minutes as to why the B Grade best of three doubles was not included in the winter fixtures.
When this was suggested at the last meeting we thought there would be 4 grades this year and so it was suggested that the B Grade went to best of three doubles, however as it turned out, team's pulled out and expected teams did not register so we went down to 3 grades and the above did not apply.
- Only one club put their name forward to host the DRDA Inc 2010 Wind-up.
That club was Lesmurdie and therefore will host the event.

GENERAL BUSINESS

1) LEGENDS COMPETITION

Brendan (Kal) asked the committee if anything can be done to fix the problem with the DRDA players who also wish to take part in the Legends national competition in October.

The players in question, who have taken part in the DRDA Winter season all year, will miss out on the Finals and the Wind-up due to travelling and playing in the Legends competition which is taking part in Geelong at the same time.

After discussion it was proposed by R Meadows and seconded by G Bush that we move the Graded Doubles competitions to the end of the season which would therefore bring the last round and the Finals forward by one week. **CARRIED**

The question regarding the change of date for the Wind-up is to be left until the next meeting for Lesmurdie to check the room availability and for Allan to check with the Entertainers.

GENERAL BUSINESS Continued

2) WELCOME

The President welcomed all teams to the Winter Competition 2010, and wished them all the best of luck.

3) SECRETARY

The Secretary "Graham Scott" is not playing at present and after discussions with the President is willing to stand down.

Owen Jenyns (Kelmscott) is willing to take on the position.

His acceptance for the Secretary's position was proposed by the Treasurer and seconded by R Meadows.

CARRIED

4) "B" GRADE SCOREBOOKS

President mentioned that the "B" Grade scorebooks do not allow for the Handicapped Doubles format, so clubs will have to use the "A" Grade books or amend the "B" Grade books as best they can.

5) SHIRTS FOR THE COMMITTEE

President suggested that the Committee should have shirts to wear at the DRDA Inc finals etc, this would show the players who were the Association officials.

Treasurer mentioned that this may be better left for the AGM as we don't want the players saying that the committee is looking after itself, the opinion was that due to the committee putting their time and energy into running the association they deserve some form of recognition and this is a good way of showing it.

The decision to give the Committee shirts was

CARRIED

Brendan (Kal) is to bring samples of shirts to find out what type we will require, the colour (which may be green) the cost, and the type of DRDA Inc logo will be looked into for the next meeting.

The suggestion of a sponsor was also mentioned which will also be looked at during the next meeting.

6) FINANCIAL MEMBERS

G Bush (WAPO) asked for the definition of a financial member.

President replied that a financial member is one who plays for his/her club and the club pays the \$10 registration.

Treasurer went on to say that a club needs to be financial in order for one or more of its teams to play in the finals, A person also needs to be financial in order to be invited to speak at a committee meeting.

This led to a question as to the status of a non playing captain.

A non playing captain can only be classed as financial if he/she pays through his/her club his/her registration fee.

7) WIND-UP

As mentioned under business arising from previous meeting, Lesmurdie was the only club to put forward to host this year's wind-up

President read out the choices for the proposed menu, the committee agreed to leave the final selection to the president.

President also read out the drink pricing.

The cost of the food is \$29.50 per head.

The maximum allowed into the venue is 200.

Ticket pricing was left until the next meeting.
