

# DARLING RANGE DARTS ASSOCIATION (Inc)

## Dartboard & Oche

### Pre season check and verification form

#### 1. FIXING THE BOARD

The center of the Dartboard shall be firmly fixed 1.73m vertically above and 2.37m horizontally removed from the oche. It shall be so fixed that a straight line running from the center of the 20 division to the center of the 3 division shall be vertical.

#### 2. THE TOE LINE

The toe line or foot line shall be clearly marked with a raised board or similar material and be named the "oche". It shall be at least 1.2192m long running parallel to the Dartboard and at least 3.81cm high.

The above information is from the DRDA Inc Playing Rules page 1 paragraph 2 & 3.

When you sign this form at the bottom you are verifying that at the Venue printed below the Dartboards and Oche's used by the DRDA Inc comply with the above measurements.
